

“BOYS TO MEN CONFERENCE”

MISSION STATEMENT

“The need is great for a strong attractive and very involved organization for boys and young men. The Baptist church must be that strong arm providing the right Bible instruction and activities for boys and young men to follow. Through Christian training and hands on activities, we can make a tremendous difference in the lives of our boys and young men.”

PURPOSE

Boys and young men are to be taught from the Bible. The King James Bible or the Authorized Version will be used for study and teaching principles for living God pleasing, clean, successful, courageous Christian lives. They must be taught the importance of: applying Bible principles in their lives, the importance of their prayer privileges, and sharing the gospel with lost persons. And above all, boys and young men must be taught not to make the fatal mistake of dying without accepting Jesus Christ as their Saviour. This in effect ignores God’s provision for salvation. For, there has not been, is not, and will not be a recovery from such a fatal mistake! Accepting Jesus, God’s Son, is the only way to be saved.

***“Wherewithal shall a young man cleanse his way?
by taking heed thereto according to thy word” Psalm
