Brothers and Sister in Christ,

We celebrated the birth of Jesus, we exchanged gifts and pleasantries, we over ate at most meals, thus; we were very happy and content while our brothers and sisters in the Baton Rouge area were praying to God to send them help to repair their houses.

Those of us that went through Katrina understand their plight, their frustration, their inability to get things done now, and their lack of resources. Brothers and sisters, this is where we can help by giving what God has given to us with our time, talents and with our financial donations.

If you can't come and work with us on our scheduled Saturdays, please make a generous donation so we can help our brothers and sisters in the Baton Rouge area.

I am,

Charles W. Hunter
